NOTE TO PARTICIPANTS:

Thank you for registering for the Joshua Trek! We are excited about a great weekend of adventure, and look forward to learning, growing, and having a lot of fun together! Part of a great trip is safety awareness. Trip Leadership is certified in Wilderness First Aid and CPR. However, to minimize risk to participants and to equip our staff to handle an emergency better, the following details must be completed.

1) **MEDICAL DISCLOSURE FORM:** Both **father and son** must complete and return their own copy of the Medical Disclosure form to camp prior to trip online, or by mail. **Please contact Reid if you have ANY needs that should be addressed before the trip** (special diet, medications, etc.).

2) **MEDICATIONS:** At Check-in, you must inform the Trip Leader of meds (Rx & OTC) you have.

3) **INFORMED CONSENT:** **Each participant** must have an Informed Consent Form signed to participate in the trip. **This form should be returned to camp prior to trip online, or by mail.**

4) **PHYSICAL PREPARATION:** *This trip will require physical effort.* You will be carrying 25-35 lbs in your backpack, and be hiking up to 8 miles a day in mountainous terrain on a variety of trail surfaces. You should be exercising to prepare your body for this! **For your safety & enjoyment on the trip, get out & jog for 1 mile 3 times a week, or walk 2 miles 3 times a week at a good pace.** You do not have to be in marathon shape to enjoy this trip, but you do need to be physically able to have a safe trip! **Backpacking is not a leisurely stroll at the Mall, you need to be preparing your body for the trip . . . it will thank you!**

5) **SPIRITUAL PREPARATION:** ***This trip will require a teachable spirit.*** Start praying now for the trip. Pray for deeper relationships between your father or son. Pray for a renewed focus & passion in your relationship with Christ. Pray that through the challenges of the Trek you will have insight into Truths to apply in your life after the trip. **To help you “gear-up” for the Joshua Trek, you will receive an assignment two weeks prior to the Trek.** It will include a few extended passages of Scripture to read prior to the Trek. It will also include some suggestions to guide your prayer as you prepare to embark on this Trek! **The Joshua Trek is more that just a weekend in the woods and you need to be preparing your heart and mind for the journey!**
