Dear Friend,

I am retiring. (Because the hardest part of writing a letter is often deciding how to begin I decided to use the clear, direct, and honest approach). Since 2003 I have been privileged to be part of the impactful ministry of Rock Mountain Bible Camp; first as Director and now as the Executive Director. It has been an amazing experience, enhanced by the wonderful team at Rock Mountain, those of you we were able to serve, parents who have entrusted their children to us as campers and staff, and those of you who have partnered with us in prayer, service, and financially.

My wife Linda and I are looking forward to my retirement and the new season it brings. We are eager to learn of the opportunities God will bring our way. We anticipate remaining in the Binghamton area for the foreseeable future and expect to find ways to “serve God by serving people” as we have in our 40 plus years of vocational ministry.

I’m delighted to announce that our ministries’ board of directors has unanimously chosen Mr. Frank Judson to become our next Executive Director. Frank comes from nearby Clarks Summit University where he served as Executive Director of Enrollment. Frank’s been married to Lisa for 30 years and they have four children. They will continue to reside in the Clarks Summit, PA area and Frank will use Rock Mountain as his center of operations. Mr. Judson brings a heart for discipleship and extensive leadership experience in both Church and para-Church ministries.

Frank's onboarding began shortly after his acceptance of the role and continues; he will become our Executive Director in December and I will serve as senior advisor. My full-time responsibilities end January 31<sup>st</sup>. I'm looking forward to seeing how God will use Frank; to not only continue the vital work of Rock Mountain Bible Camp but to move this gospel work forward for even greater impact.

One of the things I will soon be handing to Frank is the Rock Mountain checkbook. I'm confident it will be full of checks and trust the account balance will be sufficient to allow their use. As this year comes to an end and 2022 begins I'm asking you to prayerfully consider a generous financial investment in the ministry of camp. Checks made out to Rock Mountain Bible Camp may be sent to the address above. Online gifts may be made at [www.rockmountainbiblecamp.org/give/](http://www.rockmountainbiblecamp.org/give/)

Of course, my request for your help in filling the checkbook is not to make me feel good or for Frank's first few months to be made easier, but to reach more children and young adults with the life giving gospel of Jesus Christ, as together we continue to **"provide opportunities to experience truth, community, and change through Jesus Christ."**

God's best,

Richie
